

# DARGAH RETREAT

October 18 –25, 2018

*An eight-day retreat at the Dargah of Hazrat Sufi Inayat Khan,  
New Delhi, India*

UNDER THE GUIDANCE OF MURSHID NAWAB PASNAK

*There is nothing on earth or in heaven which is not within the reach of man.*

*When God is within his reach,  
what can be beyond it?*

—HAZRAT INAYAT KHAN—

**This retreat** is for mureeds of Hazrat Inayat Khan; some acquaintance with the retreat guide is recommended. Both group practice and suggested individual exercises are offered. During some portions of the retreat, the discipline of silence may be requested. The retreat is limited to approximately 20 places.

#### **Cost and Accommodation:**

- The retreat fee is **63,000 INR or the equivalent in other currencies**, payable upon arrival at the Dargah. Your place will be confirmed when you provide details of your ticket.
- **Before booking your air ticket, please check to see if places are available.**
- The fee covers **food and accommodation for ten days** (the retreat plus two days extra), **staff gratuities, a contribution to the Staff Welfare Fund, and a donation to the Dargah.** Additional donations are of course welcome, both for infrastructure repairs and for charitable works. Extra days of accommodation can be arranged at a modest cost. Accommodation will be in the Dargah retreat house; food and lodging are simple, Indian style, but the rooms are equipped with western style toilets.
- Please note that **during the retreat, accommodation can only be provided for retreat participants**; those planning further travel in India with friends or family should arrange to join them either before or after the retreat.

#### **Health and Visas:**

All foreigners require a visa to enter India; a simple tourist visa is the easiest to obtain and many countries are eligible for an on-line ETV. Please do not use the Dargah as your contact information when applying for a visa. We can offer advice on this once you have booked your flight. You may wish to discuss your trip with a doctor or travel clinic.

#### **Registration and Information:**

**Please check with us to see if places are available before booking your flights.** When space is confirmed, make your bookings and send us your details.
