

THE DOME OF A SUFI DARGAH or tomb is like the earthly crown of the illuminated soul who is buried there.

The Dome of the Dargah of Pir-o-Murshid Sufi Inayat Khan has lost its beauty from years of pollution and harsh weather. It was once translucent and luminous at night, but now it is sadly dingy and opaque. For the hundredth anniversary of the Master's passing in 2027, we would like to offer a new Dome.

A NEW DOME FOR THE DARGAH

The estimated cost of a new resin and fiberglass Dome is €4,600. If you would like to donate toward this project, please transfer your gift to:
